

## Red Lake Public Libraries

### **Mission Statement**

The Red Lake Public Libraries are community-based accessible centers that are dedicated to enriching the lives of our community in an inviting, relaxing environment with access to ideas & information through a variety of materials and services.

### **Vision Statement**

As a municipal organization the libraries will endeavor to:

- Provide opportunity and encouragement for continuous education for every individual in the community – children, young people, men and women.
- Through guidance, stimulation, and communication of ideas to promote an enlightened and enriched citizenry.
- To assemble, preserve and administer in organized collections the libraries' print and non-print materials to support the educational, cultural and recreational programs of the community.
- To provide an accurate, reliable service that connects people to the community and the world.
- To support and co-operate with groups and organizations in presenting educational and cultural programs.
